Dear Michael,

I am pleased to inform you that Mastro Properties has been selected as the 2009 Built Green Hammer Award winner in the **Builder, Custom or Small Speculative** category. The Mastro Properties 5-Star project Lakeside Ave. S in Seattle was not only an award worthy green home; it is also the highest scoring project our program has certified. The award presentation will be held Thursday March 5, 2009, the night prior to the upcoming [Built Green Conference](#), at the Hyatt at Olive 8 in Seattle from 4:30-7:30 p.m. Please respond via e-mail (kcalhoun@mbaks.com) or phone (425-460-8238) to let us know who will be on hand to accept the award. **The award recipient will receive complimentary entrance to the event.** If you would like to register additional members of your company and for further logistics, please visit the Built Green Awards registration [website](#).

As part of the Awards ceremony, we would like to prepare a power point slide featuring your company to show while you receive the award. If you are able to provide us with a company logo along with one or two photos by March 2nd, we'll be able to create a slide for you.

If you have any questions, please let us know. We look forward to seeing you at the awards ceremony.

Sincerely,

Aaron Adelstein
