Vastu Creations Mission Statement

The purpose of Vastu Creations, LLC is to reestablish the powerful connection and intrinsic harmony between man and nature by designing stress-free environments, using effective, time-proven tools that promote health, abundance, success, positive relationships, and happiness without costly structural changes. The Seattle-based company brings the tangible benefits of Vastu Shastra to people around the world through appropriate building design, seminars, and a variety of specialized products, books, and personalized consultation services.

#

High resolution photos of the Mastros, their books, and Vastu Shastra products are available upon request. Robin and Michael Mastro are available for interviews.
